Departamento de Economia
Pós-Graduação em Economia
Economia da Globalização – código 318701
Professor Jorge Arbache
2/2016

1. Objetivo

O curso tem como objetivo examinar a globalização, suas principais consequências e perspectivas para o futuro. O curso foca em alguns dos mais importantes aspectos da globalização: serviços, economia digital, novas tecnologias de produção e de organização da produção e acordos plurilaterais de comércio, investimentos, serviços e propriedade intelectual. Daremos especial ênfase aos impactos da globalização nas mudanças estruturais, localização dos investimentos, padrão de comércio, perspectivas de crescimento econômico e difusão do conhecimento.

2. Avaliação

A menção final resultará da avaliação do que segue:

- paper de final de curso de cerca de 7000 a 9000 palavras, a ser entregue até o final de fevereiro de 2017 – peso de 60%;
- seminários – peso de 20%;
- one-pagers – peso de 20%.

3. Data e local

Início das aulas no dia 9 de agosto. Aulas nas terças e quintas de 19-21h na FACE/UnB, sala 06/10.
